

March 23, 2009

Dear Ken,

There is no provision in the EFPOA By-Laws or CCIOA that require EFPOA Board Members to save or remit any correspondence when acting on behalf of the HOA to outside agencies. As volunteers, we serve at the request of the EFPOA and can be removed by the owners if they believe we are not representing them in the best interest of the EFPOA.

Regards,

David Crespo  
President EFPOA
