Step 4: If you did everything correctly, you should see the above message pop up instructing you to wait for your registration email which will be sent to the email address you provided in Step 2 and will include a link to return to the web site to complete your PAYHOA account set-up. Click the blue [PayHOA Home] button at the bottom of the message window and you may close your browser window. You are done with the first half of the registration process.

Once the information provided has been verified, you will be sent an email with instructions to complete set-up of your account. This could take up to 24 hours. If you do not receive an email, first try checking your Junk or Spam folder to see if it landed there, if not contact **Cyndie Van Buskirk, POA Board Treasurer** at <u>elkfallspoatreas@gmail.com</u> so that the problem can be resolved.

Step 5: When you receive the registration email, open it up and Click on the [Setup My Account] button to return to the PayHOA web site to complete the final set-up steps.

Step 8: On the USER SETTINGS Tab, you may provide the following optional information:

Secondary Phone # - (Optional) If you have an alternate phone number (cell phone or land-line) that you would like to provide, you may enter it here. This number will not be used for Text Message delivery.

Auxiliary Email – (Optional) If you wish for Email correspondence (Invoices and Group

Messaging) to be sent to additional email address(es), you may specify one or more recipients here.

Remember to click [Save] or [Add email] for any box in which you have provided additional information

Step 9: Click the WALLET tab to visit your account wallet where Bank Accounts or Credit Cards may be added to enable on-line payments.

Click the [+ Add Bank Account] button to provide information on a Checking or Savings account from which you may wish to make on-line payments. You will be prompted for your bank routing and account number. Remember to click the [Submit] button when done.

Click the [+ Add Credit Card] button to provide information on a Credit Card you may wish to use to make on-line payments. You will be prompted for your credit card information. Homeowners will be responsible for credit card fees. Remember to click the [Save Credit Card] button when done.

If you do not wish to take advantage of the convenience of on-line payments within PayHOA, you do not have to provide any bank account or credit card information. You can always log back into your PayHOA account to add or change this information at any time.

Note: You may still pay your dues by check via US mail. Everyone will receive a paper invoice in the mail that includes a return envelope. If paying by check, please use the envelope provided and include the payment coupon from the bottom of the invoice. If you choose to use your bank's online bill-pay function, please add your property address to the memo line of the check.

Step 10: Click the NOTIFICATIONS tab view and set your account notification preferences.

	Group Message		

Check or uncheck the Group Message SMS box to indicate your preference on receiving text message versions of Group Messaging from EFPOA. Unchecking the box will turn off delivery of text messages to the cell phone number you provided in Step 6.

Email is the primary method of notifications from EFPOA, so email delivery is automatically checked for both Invoices and Group Messages.

Group Messages will include only official EFPOA announcements, meeting information, community events, public safety announcements, etc.

You can always log back into your PayHOA account to add or change this preference at any time.

This concludes the required steps to set up your PAYHOA account.

Congratulations - you are ready to go!

Optional Features

The following additional items are **optional** or available to access as needed to update or maintain PAYHOA account information.

Two additional tabs are located under [My Account]:
