## Engineering and Feasibility Study is done!

South Park telephone will present their findings of the Engineering and Feasibility Study for our broadband fiber project this Saturday via a virtual meeting.

**Date:** Saturday, May 2, 2020

**Time:** 9 AM Mountain Time

**Zoom Meeting info:**

<https://us02web.zoom.us/j/88013164322?pwd=c1A4YngrTHIDVlpON2JPT0czekNHQT09>

**Meeting ID:** 880 1316 4322

**Password:** 167965

---

## Also, don't forget Letters of Support!

Please send your letters of support to South Park Telephone. This is a VERY important part of our grant application.

Some guidelines for your letters:

- Who is your internet provider now? Mention your current download and upload speeds.
- What problems are you experiencing and how is this negatively impacting you?
- What would you like to do that you can't (e.g., streaming, gaming, home security cameras, manage large file downloads, teleconferencing, cellphone service boosting, etc.)
- Does poor internet impact your healthcare and/or telemedicine, your child's education, work, teleconferencing, etc.?
- If you have a business, please write a letter from your business, too. Letters from businesses and municipalities have a lot of weight in the grant process.
- (Although increased property value is a positive impact broadband fiber will have on us, this is not a message they are interested in hearing about.)
- Include the name of your neighborhood.

You can view some of the grant applications that have been submitted, here: <https://www.colorado.gov/pacific/dora-broadband-fund/apps-received>. The January 2020 Burland Grant has 70 letters of support if you need ideas.

**Address letters to:**

Colorado Broadband Deployment Board  
1560 Broadway Suite 1550  
Denver, CO 80202

**E-mail the letter in Word or PDF format to:**

David at [DShiple@usch.com](mailto:DShiple@usch.com) and copy me (or let me know you sent a letter) at [bevlong2555@gmail.com](mailto:bevlong2555@gmail.com)

Thank you and "see" you this Saturday!

Bev Long  
Elk Falls Ranch and Elk Creek Road Project Champion
