

Broadband Grant - Reminder

Hi All,

I wanted to remind everyone how important it is to make supportive comments on our Grant application. This can make a huge difference in our Grant's success. **The Broadband Board does read your comments.**

September 13th is the deadline.

PLEASE submit your comments of support. You can reuse the same comments or letter you used last time, if still applicable.

Let them know how your current internet situation impacts you, personally, your family, your job, your business, etc. Please be sure to mention the problems you may be having with your current internet provider as some of them are claiming they are already providing full service to our area.

Feedback on each application can be submitted through the following link: [The Broadband Fund - Comment Form](#)

The SPT Application Number is S-2021-19: South Park Telephone-Staunton State Park. All comments must be received no later than September 13, 2021.

All of the applications are posted on the following link: [Broadband Fund Applications](#)

Thank you for supporting the project and for the effort and continued passion to make this a reality!!

It's Not too Late! You Can Still Participate.

We are still accepting commitments.
You don't want to miss out on this opportunity.

The online Commitment Form can be found at this [link](#) and the **Pricing Sheet** can be found at this [link](#).

As always, contact me if you have questions.
