

Broadband Commitment Fee Reduction!!!

South Park Telephone (SPT) has reduced the Broadband commitment fee from \$500 to \$200!

This means it will only cost \$200 to bring fiber to your home from the main route! This is an incredible bargain.

Don't Wait - Sign up Now!

Residents that have already paid a commitment fee of \$250 or \$500 will receive a refund of the amount exceeding \$200. Refund checks will be mailed to the address listed on your Commitment Form. *(Note: If you have a mailing address different from the address you indicated on the Commitment Form, please let SPT know at 719-837-6400)*

Please allow a couple weeks for SPT to process the refunds.

Commitment Update

We had 169 Commitments as of 10/23/20. We need 350 to be able to apply for the grant.

The online Commitment Form can be found at this [link](#) and the **Pricing Sheet** can be found at this [link](#).

What is a commitment?

A commitment means you agree to sign up for high-speed internet fiber from South Park Telephone if we are awarded the grant. Commitments, which include the \$200 installation fee, help us determine the *real interest* (demand) for this service. It is not a sustainable business model for [South Park Telephone](#) if enough demand isn't truly there. **The \$200 is fully refundable if we do not reach our commitment goal or are not awarded the grant.**

THANK YOU to everyone who has committed so far! We appreciate your interest and support of the project.

As always, contact me if you have questions.
